The East Multnomah Soil and Water Conservation District (EMSWCD) is a unit of local government whose mission is to help people care for land and water. The EMSWCD is led by an elected board of five directors and works entirely on a voluntary, non-regulatory basis with landowners, land managers, and other residents east of the Willamette River centerline in Multnomah County. All of the EMSWCD's work is geared toward keeping water clean, conserving water and keeping soil healthy.
