### East Multnomah Soil and Water Conservation District 2022 Partners in Conservation (PIC) Grant Review Committee Meetings

The East Multnomah Soil and Water Conservation District (EMSWCD) will hold meetings of the Partners in Conservation (PIC) Grant Review Committee on February 28<sup>th</sup> and March 3<sup>rd</sup>, 2022.

The purpose of the PIC Grant Review Committee is to review grant applications and recommend funding awards for EMSWCD's Partners in Conservation grants program. In February the EMSWCD Board approved the appointment of 10 community members and Board member Jim Carlson to the 2022 Partners in Conservation Grant Review Committee. The Committee is designed to include individuals from the community with diverse professional backgrounds, lived experience, and relevant expertise. Find the list of Committee members and read a short description of their personal and professional backgrounds on the EMSWCD website, [here](#).

The 2022 PIC Grant Review Committee meetings are open to the public and will take place this year via Zoom videoconference:

**The East Multnomah Soil and Water Conservation District (EMSWCD)** is a unit of local government whose mission is to help people care for land and water. The EMSWCD is led by an elected board of five directors and works entirely on a voluntary, non-regulatory basis with landowners, land managers, and other residents east of the Willamette River centerline in Multnomah County. EMSWCD’s work is geared toward keeping water clean, conserving water, and keeping soil healthy.

Contact **Asianna Fernandez** with any questions about Board of Directors and Committee Meetings at [asianna@emswcd.org](mailto:asianna@emswcd.org) or (971) 246-4531. Learn more about us at <https://emswcd.org>
