

Wholesale Sources of Native Plants, Portland Region (Nov. 2022)

This list is designed to assist with sourcing materials for large-scale native planting projects. It is not comprehensive and is not an endorsement of any organization or business. It is intended to provide a starting place for your own research. For retail native plant sources for small-scale planting, as well as questions, edits, or suggested additions, please contact Whitney Bailey: whitney@emswcd.org.
