

## Local Sources of Native Plants in the Portland Metro Area

This list is designed to assist with small-scale native planting projects on private property. It is not comprehensive and is not an endorsement of any organization or business. It is intended to provide a starting place for your own research. For resources on larger project planning and funding, as well as questions, edits, or suggested additions, please contact Whitney Bailey: [whitney@emswcd.org](mailto:whitney@emswcd.org).
